Dong-gu Ulsan

Nammok jeujeon District

Bongdaesan Mountain

**San 186, Dongbu-dong**

The mountain, which was devastated by a forest fire, has been transformed into a park through a public works project, and from the observatory at the top of the mountain, you can see the blue waters of the East Sea.

Jujeon Bongsudae Beacon Mound

**San 192-2, Jujeon-dong**

A military communication facility that used smoke during the day and torches at night to communicate. It was built during the reign of King Sejo of Joseon and restored with a cylindrical stone shaft and is a city-designated monument No. 3.

Nammok Masung Horse Ranch Wall

**166-6 Dongbu-dong**

A corral is a stone wall built around the perimeter of a paddock to keep horses from escaping. During the Joseon Dynasty, they were set up mainly along the coast and on islands to raise horses for use in the country.

Dongchuksa Temple

**93 Ongnyu-ro**  
**052-233-0410**

Founded in 573, it is the oldest temple in Ulsan. It has a historical background of a spiritual meeting between King Jinheung of Silla and King Ayuk of India.

Soebyeong Children's Park

**Vicinity of 98, Dongbu-dong**  
**052-209-3754**

It is a family recreation park with a children's playground (Giant Tree), rail sledding, mini-village, outdoor stage, grassy plaza, parking lot, etc.

Ulsan Themed Botanic Gardens & Arboretum

**33-1 Soebyeong-gil**  
**052-235-8585**

It is an eco-friendly themed botanical arboretum with 20 themes, including the Herb Street, Rose Garden, Sculpture Park, and Korean Peninsula Theme Garden, and over 1,500 different species of trees.

Jujeon Fishing Village

**23 Saessaek-gil**  
**052-209-0111**

It is a place where you can experience, learn, eat, and stay with differentiated contents such as haenyo experience, bare-handed experience, haenyo dining experience, and pottery experience.

Jujeon Mongdol (Pebble) Beach

**Vicinity of Jujeon-dong**

It is one of the 12 scenic spots in Ulsan and a favorite beach of Dong-gu residents. It has a spectacular view of long stretches of black pebbles (mondol) rounded like birds' eggs. The coastline is so beautiful that it has become a popular driving course.

Ongnyucheon Stream Storytelling Trail

**Course 01 Dongchuksa-gil 5.5km / 2hours 30minutes**  
A walking trail where you can find the oldest temple in Ulsan, Dongchuksa Temple

Ulsan Dong-gu Tourist Information - Daewangam Park District

**Dong-gu Ulsan**

**Daewangam Park District**

**Daewangam Park**

Daewangam Park is a beautiful park located at the tip of the east coast. More than 15,000 sea pines and unique rock formations create an exquisite harmony with the blue East Sea. It is one of Ulsan's 12 scenic spots and was recently selected as one of Korea's top 100 tourist destinations, making it a favorite tourist attraction not only for Ulsan citizens but also for the whole nation. Dawangam is where the sun rises first on the Korean peninsula along with Cape Ganjeolgot. Known as one of the best spots to see the sunrise, it is a beautiful place, which used to be called Haeguemgang among seonbi (noblemen) back in the day. Legend is told that the wife of King Munmu the Great of the Silla Dynasty became a dragon to protect the country and now rests in peace underneath this rocky island.

**Deawangam Park Auto Campground**

**80-61, Deungdae-ro**  
**052-209-4530**

It is a family-oriented eco-friendly resting place where you can get away from the city and enjoy healing in the open nature.

**Ulgi Lighthouse**

**155, Deungdae-ro**

Ulgi Lighthouse, the first lighthouse built on the East Coast in 1906, was designated as Registered Cultural Property No. 106 as the old lighthouse tower was recognized as a modern architectural cultural property after 80 years of use. In 1987, a new lighthouse in the shape of a candlestick was built right next to it, and has been a tourist attraction ever since.

**Daewangbyeol inuri (Children's Theme Park)**

**100, Deungdae-ro**  
**052-232-0300**

Daewangbyeol inuri is an experiential space where children and parents can enjoy, relax, and make memories together, with a variety of facilities that children love, including games, activities, and anime viewing.

**Daewangam Solbaram-gil**

**Vicinity of 140, Deungdae-ro**  
**052-209-3738**

Listen to the stories told by the waves and wind while walking along the coastal path filled with the aroma of pine trees.

**Solbaram-gil Route** Approx 4km / 2hours

Mir Playground • Heart Photo Zone • Minseon Island (View) • Yonggul Cave • Ulgi Lighthouse • Daewangam • Gwagean • Godongseon Island Observatory • Seuldo Island

**Daewangam Trail**

The coastal path that connects Seuldo Island and Daewangam Park. In spring, rape fields spread out. It is loved as a healing walk to enjoy the sky and sunset with the sound of the sea in the background.

**Daewangam Park Suspension Bridge**

**9:00-18:00 (entry until 17:40)**  
\* Subject to change depending on weather conditions and site conditions  
\* Closed on the second Tuesday of every month and Lunar New Year and Chuseok holidays.

Daewangam Park Suspension Bridge is Ulsan's first suspension bridge and has the longest span of any suspension bridge on the sea in the country. During the day, you can enjoy the coastal scenery around Daewangam, and at night, you can enjoy the night view provided by the landscape lighting.

**Isan Beach**

**Vicinity of Haesuyokjang 10-gil**

Isan Beach near Daewangam Park is one of the best vacation spots to enjoy both water and tourism. It offers a variety of activities, including the Joseon Maritime Festival and regular stage performances, which are held every year in conjunction with the opening of the beach.

**Ulsan Dong-gu Haeparang Rest Area**

**21 Haesuyokjang 10-gil (Isan Beach Central Restroom 2F)**  
**Weekdays 9:00-18:00, Weekends 13:00-17:00**  
**Closed: Lunar New Year and Chuseok holidays.**

The 'Ulsan Dong-gu Haeparang Rest Area' is located at Isan Beach, the end point of the 8th course of Haeparang-gil. It serves as a resting place for walking travelers and a platform for tourism in the Dong-gu District. We are also hosting a variety of walking tours and events related to Dong-gu tourism within the shelter, so please be sure to check them out.

**Eopungdae**

**Vicinity of 151, Isan-dong**

Kings of the Unified Silla used to visit Eopungdae to enjoy the nature and arts. From Eopungdae, Daewangam, Minseon Island, and Isan Beach can be seen as if they were a work of art.

**Traditional Markets**

**Nammok Horse Ranch Hall Market**  
9 Nammok 17-gil  
Established in 1978, the market is always bustling with customers looking for delicious food and fresh local produce. Recently, the lower rain barrier facility was installed, and it was selected as a cultural tourism-type market and is developing into a representative market of Ulsan.

**Daewangam Wolbong Market**  
6 Daesong 8-gil  
Established in 1991, this general market is located near Ulsan National University of Science. There are more than 200 stores selling food and daily necessities and hospitals, banks, and other facilities are located nearby, making it an always lively market.

**Dongulsan Market**  
77 Jinseong 14-gil  
Established in 1983, this medium-sized market in a shopping mall building has a modern appearance and unique style thanks to modernization projects, and there are plenty of food options. In 2020, a public parking lot was added, making it more convenient to use.

**Daewangam Wolbong Market**  
16 Hwajong 6-gil  
Established in 1980, the market is a favorite among young and old alike for its delicious food and low prices, and in July 2007, an arcade was installed to make it even more convenient.

**Jeonha Market**  
32 Noksu 7-gil  
This traditional market has been located near HD Hyundai Heavy Industries since 1978, and it retains the atmosphere of an old traditional market.

**Dong-gu Ulsan**

**Yeomposan Mountain District**

Yeomposan Mountain

**Vicinity of San 170, Jeonha-dong**

Oseungjeong Pavilion located on the top of Yeomposan Mountain is where you can enjoy spectacular views of Dong-gu. Yeomposan Mountain with cherry blossoms and the vast open ocean view becomes full of festivals and events in the spring.

Myeongdeok Lake Park

**San 155, Jeonha-dong**

Myeongdeok Lake Park, located at the foot of Yeomposan Mountain, is a cozy, nature-friendly resting place where you can go for a walk or a light hike.

Keunmaeul Reservoir Forest Park

**8 Saenap-gil**

The total perimeter of the park is just over 2 kilometers, so even a stroll will take you about an hour, making it a great place for a relaxing and casual stroll.

HD Hyundai Heavy Industries

**1000 Bangeojinsunhwan-ro**

Founded in 1972, HD Hyundai Heavy Industries plays a central role in the shipbuilding and offshore industry.

Wolbongsa Temple

**55 Bongsu-ro**  
**052-251-4602**

Wolbongsa Temple is one of the two temples built in the Silla Dynasty in Dong-gu, Ulsan. In the 4th year of King Geongsoon of Silla (930), the monk Seongdoja founded Wolbongsa Temple, fulfilling the prophecy of an ancient monk.

Ulsandaegyo Observatory

**155-1 Bongsu-ro**  
**052-209-3345**  
**09:00-21:00**

\* Closed on the second Tuesday and fourth Monday of every month and Lunar New Year and Chuseok holidays.

The Ulsandaegyo Observatory offers day and night views of Ulsandaegyo, the longest single-span suspension bridge in Korea and the third longest in the world, as well as Ulsan's industrial complexes and seven famous mountains.

Ulsan Dong-gu Tourist Information - Bangeojin District

**Dong-gu Ulsan**

**Bangeojin District**

Bangeojin Port

**Vicinity of 71 Dongjin 5-gil**

Bangeojin Port has long been a gateway to the East Asian region because of its southeastern location. In recent years, the port has been transformed into a space with a distinctive local flavor, with urban regeneration projects underway.

Hwaamchu Lighthouse

**50 Hwaamdeungdae-gil**  
**052-201-2602**

Hwaamchu Lighthouse situated at the end of Kkotbawi Village is the largest lighthouse in Asia. An observation deck is built around the embankment where you can take a light walk while enjoying the sound of the waves.

Seuldo Island

**Vicinity of Seongsik-gil**

Seuldo Island was named after the song it makes when the waves hit the rocks, which sounds like a gomgomu stringed instrument being played. This rooftop art gallery is also popular among many artists in Korea.

Seuldo Art

**103 Seongsik-gil**  
**052-234-1033**  
**10:00 - 18:00**

\* Closed on every Monday, National holiday, Lunar New Year's Day, and Chuseok holidays.

Seuldo Art is a cultural complex where local artists, residents, and tourists can meet through various exhibitions, performances, and programs, including a children's experience center, exhibition hall, and outdoor performance space.

Jeoksan Gaok Street

**Jungjin 1-gil**

Jeoksan Gaok houses (Japanese-style houses) remaining from the Japanese Colonial Period are found in this street. Although some of them have been discolored or renovated, you can still see traces of the past everywhere.

Bangeojin History Museum

**30 Jungjin 1-gil**  
**052-209-3873**  
**09:00 - 18:00**

\* Closed on the second Tuesday and fourth Monday of every month and National holiday.

The Bangeojin History Museum is a place where you can feel both the past and present of Dong-gu, as it summarizes the history and culture of Dong-gu's Bangeojin Port, which was the fishing center of Korea more than 100 years ago.

Delicious Story of Dong-gu

**01 Fresh Sashimi**

The fresh sashimi, fished from the blue waters of the East Sea, attracts many people's taste buds. There are many sashimi restaurants at Jujeon Mongdol(Pebble) Beach, Isan Beach, Seuldo Island, and Bangeojin Port. The sashimi eaten while watching the sea at night is excellent.

**02 Sea urchin bibimbap**

Sea urchin eggs with the aromatic taste of the sea mixed with nutty sesame oil create a rich flavor. Mix the yellow sea urchin eggs well with rice to taste the fresh ocean.

**03 Abalone rice**

Your table will be full of fresh seafood caught by haenyo and other delicacies from the area. If you go to Jujeon, do not miss the haenyo meals found in the fishing village.

**04 Haenyo meals**
